To: Mrs Francesca Llopis, President of Spanish National Committee
Cc: Isidro Lopez Aparicio, Spanish delegate

Dear Francesca Llopis,

On behalf of Executive Committee of IAA Europe we are pleased to inform you that your application for membership has been accepted. Since you have been an observer at General Assembly in Berlin 2011 and General Assembly in Istanbul 2012 and applied for membership as an organization representing professional visual artists from Spain you are definitely entitled to become the member of IAA Europe with your National Committee.

You are being informed that there will be a fee of Euros 900 for the year 2013 charged for membership by Treasurer of IAA Europe Mr Rob den Boer (Netherlands). After making this payment you became the member of IAA Europe for the year 2013 with voting right and right to issue IAA cards

Attached with this letter is the guide how to produce, implement and use the card.

We really appreciate your interest in becoming IAA Europe member and we are looking forward to fruitful cooperation.

Yours faithfully
